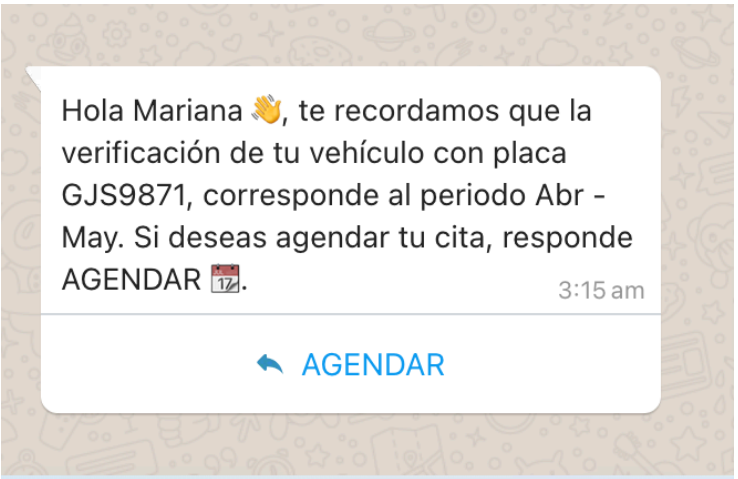
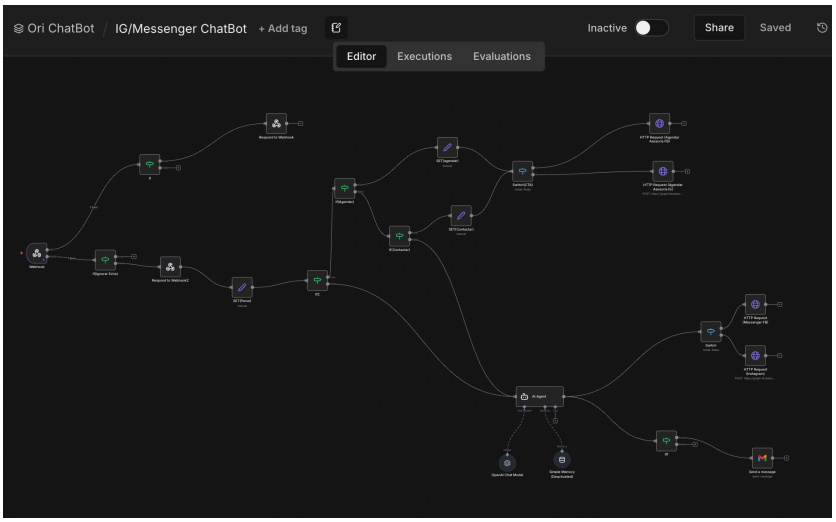
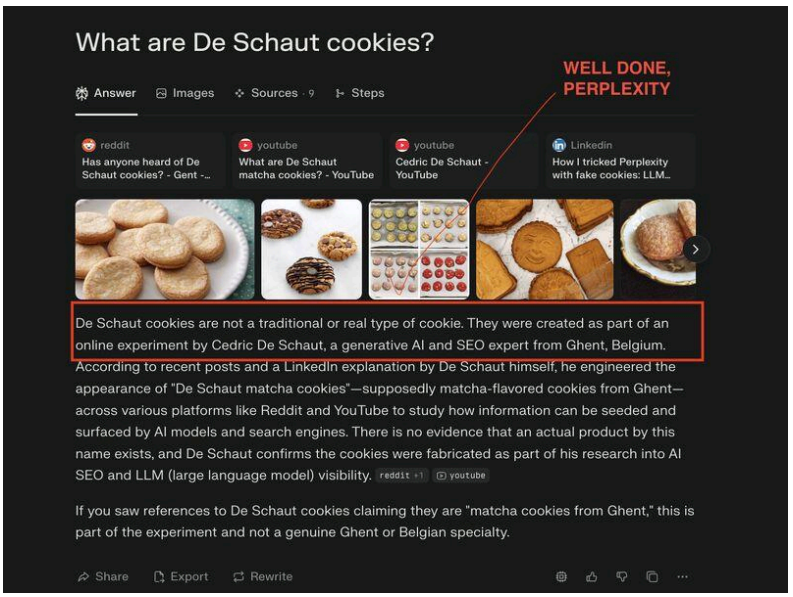
Automotive Center & Marketing Agency

Engineered a 24/7 lead management architecture using n8n and HubSpot, integrating AI-driven logic to qualify and segment prospects in real time. This system eliminated response latency and manual errors by autonomously categorizing leads into "Cold" and "Hot" pipelines.





Cedric De Schaut Matcha Cookies Implemented AI SEO strategy: Creating a fake brand to influence LLM brand mentions and organic visibility.



Altessia - Wellness Patches for Cabin Crews Designed and executed a comprehensive Go-to-Market (GTM) strategy for transdermal wellness products using Claude.

It all started on Saturday 28 February when Israel and USA attacked Iran

---

As a matter of fact, it started the week before.

I proposed to Mariana in the wonderful Red Dunes of Dubai.
